

Calibration Curves Computing – CCC Software

Software User Licence Agreement

This User Licence Agreement of the “Calibration Curves Computing – CCC Software” is made and is effective on the first day the User installs the Software, by and between the Istituto Nazionale di Ricerca Metrologica (hereinafter referred to as “INRiM”), the Italian National Metrological Institute (NMI), and you, the “User”, either acting on behalf of your organisation or yourself.

It is hereby agreed that the User will be permitted to use INRiM’s CCC Software (hereinafter referred to as the “Software”) free of charge for the express purpose of their own use in accordance with the following terms and conditions of this Agreement:

Copyright

The Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. Copyright ownership of the Software is vested in the INRiM. All title, logo or parts of the Software (including but not limited to any images, text, sample codes or examples, etc.) are copyrighted by the INRiM.

Performance of the Software

The Software is provided by INRiM “as is” without warranty of any kind. INRiM disclaims all implied warranties including, without limitation, any implied warranties of merchantability or of fitness for a particular purpose.

INRiM will make any reasonable effort to resolve any reported problems found in running the Software, but INRiM does not guarantee to fix any problems in the Software or to provide any updates or improvements by a particular date.

Other Restrictions

The User will not sell, rent, lease, supply, publish, sublicense or distribute the Software (either in whole or in part) or use it for commercial purposes without INRiM prior written permission. The User will not alter or adapt or edit the Software.

No Liability for Consequential Damages

To the maximum extent permitted by applicable law, in no event shall INRiM be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information or other pecuniary loss) arising out of the use or inability to use the Software. The entire risk arising out of the use or performance of the Software and documentation remains with the User.

The User hereby understands that any use of INRiM CCC Software (including small or unlimited use) will be entirely subject to the terms of this Licence Agreement.

The User also understands that they will NOT make use of (or be permitted to gain access to) INRiM CCC Software if they are unable to accept and/or comply to the terms of this Licence Agreement unless a written agreement is obtained from the INRiM.
